

**PLEASE NOTE:** No student is eligible to attend HIZ who is currently on academic, chapel or disciplinary probation on the Searcy campus. Any student who has applied and/or been accepted will automatically become ineligible if placed on any type of probation up until time to depart. Such individuals will be placed on a waiting list and may go only if there are openings after probation has been removed. In addition, a student must have an overall 2.5 GPA. Due to the nature of the program, students must go through a screening process before they are accepted.
